Headteacher Mr P Gibbins

Dear Parent/Carer,

Online payments to school with ParentPay

At Meltham CE School we use an online payment system where parents/carers are able to pay for school meals, trips, after school clubs, school milk and much more online. This secure service is called ParentPay.

Once your child joins us in September we will create an online ParentPay account for you and you will be sent an activation letter.

Making secure payments online using your credit or debit card

ParentPay offers you the freedom to make payments whenever and wherever you like, 24 hours a day, 7 days a week - safe in the knowledge that the technology used is of the highest internet security available.

You will have a secure online account, activated using a unique username and password; you will be prompted to change these, and to keep them safe and secure. If you have more than one child at our school, you can merge their accounts to create one login for all your children. You can also merge the account with any older siblings at high schools who also use ParentPay.

Recognising that families can change, ParentPay gives schools the ability to create a second payer account for a child. Both parents/guardians are then able to make payments for the child.

Making a payment is straightforward and ParentPay holds a payment history for you to view at a later date; card details can be stored but this is optional. Once you've activated your account you can make online payments straight away.

Using PayPoint

If you do not have access to a computer you can still make payments via PayPoint. PayPoint is a facility located in various shops where you can make payments to your ParentPay account using a credit/debit card or cash.

School trip and activity information letters provided by the school carry a unique barcode which will be scanned by the shop's checkout operator. You may request a barcode letter from the school office.

PayPoint payments are recorded by ParentPay and can be seen by logging into your ParentPay account and viewing your payment history online. The nearest PayPoint stores to school are The Co-Op, Holmfirth Road, Meltham and Helme Convenience Stores, Helme Lane, Helme but you may use any shop displaying the PayPoint logo.

For further information on ParentPay please see the FAQs overleaf or visit www.parentpay.com.

Yours faithfully
