Join our school holiday programme to give  
your child a **head start** for next term!

29th July to 27th August 2021

Thursday and Friday mornings

Your child can continue their tuition uninterrupted during the summer break to ensure they retain and accelerate the knowledge they've learnt in the previous term.

**Statistics show that 2.6 months of maths skills and 2 months of reading skills can be lost during the summer holidays.\***

Give them the best possible start to the new academic year with our Summer School Programme.
