Year 6

Meltham Newsletter

Welcome back to a new school year!

Welcome to Year 6

Welcome to the wonderful Year 6, we hope you have had a lovely summer break and are feeling as enthusiastic as we are about the year ahead.

Reminders

- Daily reading is essential and underpins comprehension and writing. Children should keep a reading log up to date and make comments about a completed book. Children's logs will be discussed with their teacher each half term.
- Children's tables need constant practice up to 12 x 12. Please use Timestable Rockstars to assist with this.
- This term's homework project is all about North America. The children will receive a project book and a brief outline, the children are expected to create a piece of work each week following the guideline given. Imagination is key!
- Please remember that if your child is well and Isolating, we will provide learning on Purple Mash.

'Human Rights'

With a strong History focus, year six will be exploring the Universal Declaration of Human Rights and discovering the work of famous activists. We will be travelling back in time to delve into the atrocities experienced by groups of people across the world.

Save the Date!

Parent's evening

Appointment times will be available soon – watch out on Twitter and Facebook

Assembly

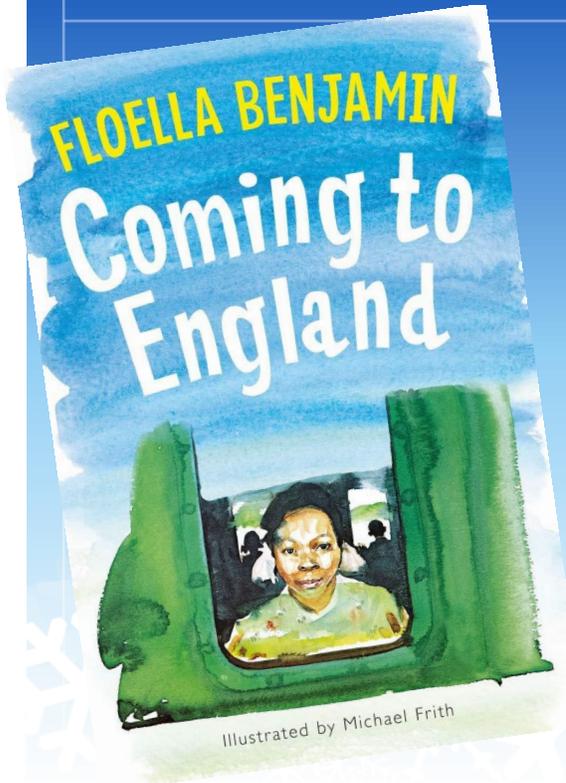

11.11.21

We will be recording and sending out our spectacular show of learning, please look out for it.

Robinwood Residential Trip

Just a note to say that our Robinwood trip this year is at the very start of our Spring term (26th – 28th January). Please ensure you are up to date with the payment plan. Any issues please let us know.

Coming to England by Floella Benjamin

English lessons this term will focus on the heartfelt journey of Floella Benjamin. We will be learning all about the Windrush generation and linking this to our Geography lessons on the continent of North America. We will be contrasting the Caribbean Island of Trinidad with her later life in England.

Science – Light up your life

Our Science focus is Light. We will be learning how light travels and how the human eye sees light. We will be creating pinhole cameras to demonstrate this. If you have any empty Pringle tubes please send them into school, thank you.

P.E

As we intend conducting some curriculum lessons outside, in order for the children to experience learning outdoors in our excellent school grounds, please can you ensure your child has warm clothes and sensible shoes in line with the school PE uniform. Tracksuits for PE and hat and gloves for outdoors are essential at this time of year, even if we do avoid a snowfall. Thank you.
