Music Evening

What a gorgeous evening it was on Wednesday, one member of staff said she felt re-energised the following day she'd enjoyed it so much. A real bunch of talented and enthusiastic children. Thanks to Mrs Taylor for organising it.

Information for parents /carers of Year 6 children.

If your child will be joining Year 7 from September 2019 you can now apply for a School Bus Pass via the Kirklees Council website.

Online Safety

Many Year 5 pupils are getting mobile phones and I understand that there is a WhatsApp group set up by the children (WhatsApp has an age restriction of 16). I am told that there has been some abuse and cyber bullying content on the group. We have talked to the children in school but I would ask parents to check what your children are doing online and on their phones. Thank you.

Library Development

Mrs Taithe and Mrs Mellor are in the process of re-organising the school library to make it more of a social reading area. We are getting rid of some of our older book stock. In the near future (when the weather is better) we will be holding some book sales at the end of the school day. We'll let you know when.

Now is the time to check at home and return any library books (or any other school books) to us. There will be no questions asked! Just send them in to your child's classteacher or return to the school office.

Year 6 Performance

Our Y6 leavers are working hard to present their end of year performance 'The X Factory'. They are supported by a choir of Year 5 pupils. All the staff are working really hard along with the children to make this an amazing finish for their time at Meltham CE. Tickets are available for the performances that take place on Wed 26th June and Thurs 27th June at 7pm.
