School Reports

Our end of year reports go out tonight. This has been a major operation with 413 children! Teachers have worked very hard writing them and Mrs Oldham has coordinated the whole admin task of printing and envelope stuffing—a special thanks to her.

There is a feedback form with your report, please sign and return this. This year, pupils have been graded on a 3 point scale for attainment so it should be easier to understand. If there is anything you aren't sure about, please contact the classteacher in the first instance. We have put the National SATs figures for Year 2 and Year 6 on Facebook and the website rather than sending out hard copies, we're saving workload and paper!

PSA Summer Fair

A really big thank you to PSA and staff for putting together and running a great summer fair. There was, as always, a lovely family atmosphere and we raised over £2000!

Always Card Winners

There will be a special reward session for our Always Card winners on Monday 15th July from 9am to 10:30am. There will be various activities on offer outside and inside plus a visit from an ice cream van for a ice cream treat for each of them.

Y6 SATs Results

We have received our results this week. Overall, the progress the children have made since KS1 is very good. All of the group have worked very hard this year and deserve congratulating. Thanks to the Year 6 team, Miss Drake, Mrs Mitchell, Mrs Stier and Mrs Widdop for their talented teaching of the children. As I always say, SATs results are only a very small part of what Meltham CE School is about. The Year 6 children have had some great experiences and have been offered a broad and balanced curriculum all year. They've also shown lots of breakout, standout and shoutout that underpins Meltham CE School curriculum.

Summer Holiday premises work

Luckily, for the first time in 4 years, we aren't packing up any classrooms for electrical or heating work! That's a relief. We have some roofing replacement work over the offices and the Year 4 classrooms. This will still be ongoing when children return in September. The hall floor is being stripped and repolished. Other than that, a quiet summer.

New Starters

It has been lovely to meet all of our new starters this week, a few tears but lots of smiles too! I know that they will settle really quickly when they start with us in September.

Sporting News

Only three teams turned up for the Y5/Y6 inter-school rounders this week. Our team played two matches and won both. Thanks, Mrs Bull. Next Tuesday the Y3/Y4 rounders team will be playing in an inter-school competition.

Looking ahead to September-again!

Just to remind you when buying things for next year. Shoes must be black, no logos, no white soles, no heels. Many school bags are far too big to fit in lockers. They should be no bigger than 25cm x 40cm as that is the size of a school locker. If you are buying new for September make them small! PE bags are best as drawstring backs as they squash down in lockers.

Pierced ears are an issue as you know. Children MUST be able to remove their earrings for PE. Even having them pierced the first day of the holiday would mean they would be difficult to take out in September. Don't forget the wonderful Uniform Exchange system. If you would like washed, good quality second hand uniform, shoes, PE kit etc, Mr Beaumont can get this free for you.

Lost Property

All lost property left after Fri 19th July will be sent to Uniform Exchange. Please make sure you have checked before then.

Meltham Memories

Wasn't it great to see children from all 3 Meltham Schools singing together the 50's and 60's songs at a lovely community event? Thanks very much to staff that supported it and especially Mrs Turner for working so hard with the choir.

Milk Autumn Term 2019

If your child would like milk for the Autumn term (September to December 2019), payment can be made now via ParentPay, £11.50. Remember—if your child receives Free School Meals, you need to order your child's milk by returning the slip you should have received to the school office. The deadline for payment or ordering at the school office is Tuesday 16th July.

After School Clubs

There are lots of clubs available for children to join in September. Full details of the age groups they are open to and what happens at each club is on the school website: <https://melthamceschool.co.uk/kgfl/primary/melthampri/site/pages/parents/clubs>. If the clubs don't fill up they won't be able to run. Sign up on Parentpay.

Kip McGrath Education Centre

They will be offering a summer school for children aged 6 to 16 during the holidays. Visit www.kipmcgrath.co.uk for more information
