Why should my child come to the Summer School?

- It occupies your child during the summer holidays
- It helps to prevent your child forgetting what they have already learnt in the last academic year
- For children making the transition between primary and secondary school our sessions can really help to ease this time
- All staff are highly qualified, with enhanced DBS certificates.

The Facts On Summer Learning Loss

- 2.6 months of math skills are lost over the summer*
- 2 months of reading are lost over the summer*
- 6 weeks are spent re-learning old material in the autumn term to make up for summer learning loss*
