# Uniform

## Meltham C.E. School

### Our School Uniform.

*At Meltham CE Primary we wear our uniform with pride. It gives us a sense of belonging to our school and creates an identity for our school in the community. We are very lucky because we are given a choice of 3 colours for our sweatshirts – red, blue and black. We can also wear shorts, trousers, a skirt or a dress – whatever we feel most comfortable in.*

A uniform prevents children from having to worry about peer pressure and what clothing they should wear. When everyone wears the same clothes this acts as a social leveller with children wearing the same uniform no matter what their family background or income.

If you need support with school uniform or other items, please get in touch and we will do our very best to help.

### Uniform

- A red, black or royal blue sweatshirt or cardigan, plain or embroidered with the school logo.
- A plain white polo shirt.
- Plain grey or black trousers, shorts or skirt.
- Shoes must be practical and should be plain and black.
- Socks or tights should be school colours.
- In the warmer weather children may choose to wear school style summer dresses in either blue or red.

### P.E. Kit.

*Children should come to school wearing their P.E. kit on the day of their P.E. lesson.*

- A plain white t-shirt (no logo).

# Reading Systems

- Most reading is taught through whole class reading, some children being listened to individually.
- Class story time 3 to 4 times a week.
- ERIC time at least 3 to 4 times a week
- We recommend that children read with an adult for about 10 minutes every day.
- Reading/sharing a book with your child will significantly help their reading progress.
- Please encourage your child to record the books they read in their reading record.

# Spelling Systems

- We teach a spelling rule in school
- A homework sheet will be sent in their yellow homework folder. This will explain the spelling rule. There will be a look cover write check activity sent as well.
- The children will complete a spelling dictation based on the rule they have been learning. This usually happens on a Friday morning.
- Some children may have personalised spellings.

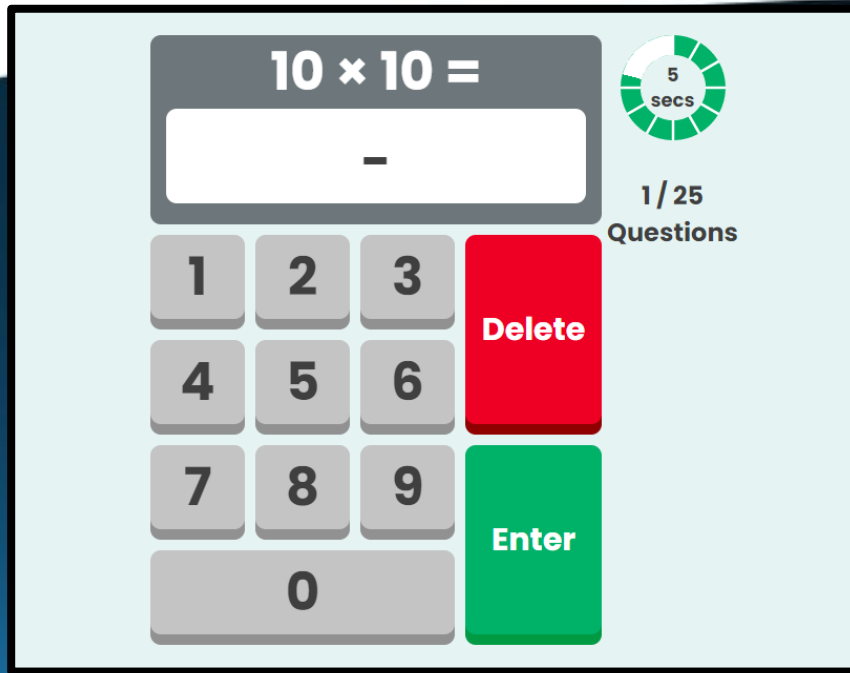

# Multiplication tables

- Tables checked weekly in school
- Homework will be personal to them, depending on which tables they have learnt
- Need to know all tables to 12x12 by end of yr4.
- Quick mental random recall.
- At the end of this year will be the national government test.

## Ways to learn.

# Feedback Policy (Marking)

Two years ago we evolved our marking policy to a feedback policy. As part of this, teachers are encouraged to feed back to children (tell them how they are doing) during the lesson, verbally, either individually, as a group, or to the whole class.

Children are then able to feed back (speak) to teachers immediately about how they feel about a task or activity and changes and/or support can be given, where necessary.

Action research has proven that feeding back to children 'in the moment' is far more effective than written marking that children may or may not read.

For this reason, you may not see as much written marking in your children's books at parents' evenings.

# PE Kit!

- This term our P.E day is Wednesday. Your child needs to come to school wearing their P.E kit including trainers.
- Please refer to the Uniform policy for the correct P.E kit.
- They will go outside for P.E in all but the worst weather. Therefore, it is important they have warm clothes and a waterproof coat.
- Ideally earrings should be removed for all P.E lessons. Retainers can be put in at home on their P.E day. As a last resort we can give them some tape.

# Other lessons throughout the year

- In year 4 each class will have African drumming lessons for half of the year when they are not swimming.
- Class 10 are swimming at the moment and in February this will swap to Class 9.

# School Vision

**From little sparkles to shining stars**

**We standout, breakout, shoutout**

**Growing in confidence to make a difference**

# School Vision

This is what we want for our children, to flourish and be the best they can be when they leave us at the end of Year 6

It is underpinned by the story of King David which the children will come to know

King David has humble beginnings as a shepherd, and he was known for his creativity and courage

He achieved great things through courage, compassion, patience and determination  
He had to STANDOUT, BREAKOUT and SHOUTOUT to do this

# Children and social media.

## What are the internet safety ABCs?

### Activate

#### Activate parental controls

Use the controls and tools available from broadband providers, online platforms and apps to install safe search settings, block inappropriate content and prevent contact from strangers.

### Balance

#### Balance screen time

Agree a good balance for your children's screen time, taking education and leisure content into account. Encourage active screen time over passive and consider setting limits for the total hours spent online each day.

### Check

#### Check and chat

Check which apps your children use and the relevant age limits for each platform. And talk regularly about online safety and what they might come across so you can work together to manage any risks and keep online experiences positive.
