

WEDNESDAY IN THE WOODS

FOREST SCHOOL AFTER SCHOOL CLUB

Play is the Highest form of research - Albert Einstein

Wednesday in the Woods Forest School after school club is a place your child can explore, investigate, experiment, connect with nature and be free to choose whatever they would like to do, in a world of structured activities and electronic devices- it's a space to unplug and discover, try new things and enjoy simply being in the outdoors.

Sorry- there is no wifi in the woods, but we do have delicious hot chocolate!

Starts Wednesday 24 SEPT 2025
