OUR SCHOOL VISION

- This is what we want for our children, to flourish and be the best they can be when they leave us at the end of Year 6
- It is underpinned by the story of King David which the children will come to know
- King David has humble beginnings as a shepherd and he was known for his creativity and courage
- He achieved great things through courage, compassion, patience and determination
- He had to STANDOUT, BREAKOUT and SHOUTOUT to do this

- High level of writing expected across the curriculum

MATHS

- White Rose Maths approach followed in lessons – concrete, pictorial and abstract.

- Timestable Rockstars is great for this, please download the free app and encourage children to use it.
- Practice SATs papers will be sent home in spring term for homework. Please check the papers and go through them. If there is anything they are struggling with, please let us know.

HOMework

- Research states that homework is best used for practice of skills that have been taught. Self-marking is optimal (answers provided). We want to keep communication lines open and honest. Some families want more homework to prepare for high school; some cannot manage the extra workload. There is no judgement. We are all here to support the children.
- Autumn Term – project based to help work towards independence. They can choose how to present and be creative. Spring Term – Grammar, Reading and Maths SAT style papers sent home.
- Please keep reading regularly and using Timestable Rockstars – both of these make the biggest impact on your child's learning.
- Spelling homework – been taught.
- Maths homework – been taught.
- Grammar homework – been taught.

PE

- PE will take place on a Thursday this half term. Then on a Friday after half term.
- The children will be required to come to school in their PE kit, this should follow the school uniform policy (dark bottoms, white t-shirt).
- As we move into the winter, please ensure your child is dressed to do PE outside in all weathers.
