

# Christmas Poster Competition

For all children who attend a school in Meltham or Helme

Zest for Print want to brighten up the village this December like we did with the NHS posters this summer.

***But this time we need your help!***

We're running a competition where the winner's design will be printed on enough posters for every house in Meltham. The winner will receive a £25 Smiggle gift card and a £100 food hamper for their family to enjoy over Christmas.

To enter all you have to do is design a poster you think would look great decorating Meltham windows this Christmas. Remember the poster will be A3 size and will be viewed close up and far away so needs to be big and colourful. Entries need to be photographed and submitted to Zest for Print either on Facebook or @zestforprint on Twitter. You can draw it on any size paper but remember to keep hold of the original copy as we will need it to print from if you are the winner. Don't forget to like the Facebook page and use the hashtag #MelthamXmasComp. The deadline is November 13th and a shortlist of 10 designs will be announced. A panel of 5 local judges will select a winner who will be announced on social media at the start of December.

Posters will be printed and available throughout December from schools and local shops as well as being able to download it from [www.zestforprint.com](http://www.zestforprint.com)
