

Finding work you have been set

Log in to Purple Mash

Either

- A. Click on “2Do’s (top left hand side)
or
- B. Click on Alerts (top left purple bell)

On each 2Do, there will be some written instructions or information.

If there is a speaker icon, you can click on it to hear any instructions your teacher may have left.

To start the task, click on the start button and this will take you to your work.
