MATHS COURSES

Maths skills are essential in everyday life and at work. Our free courses are informal and are a great starting point if you are considering further education and you don't have any formal qualifications. Our courses can also support you to be more in control of your household finances or to help your children with their homework. Want to do a maths course but unsure which course is right for you? Get in touch today for an informal chat. email: success.centres@kirklees.gov.uk or phone 01484234153

<p>Your Maths, Their Maths, Our Maths</p>	<p>This course is designed to help parents/adults help their children up to the end of Key Stage 2 with their maths. It can be a while since a parent was at school and the teaching methods may have changed, thus doing this course does not only serve as a recap to certain subjects in the maths curriculum, but also ensures that they are using the same methods as schools are using to aid consistent learning. Learners can recap or learn new maths skills and to utilise this knowledge to help their children with a better understanding of the maths curriculum and how it is taught in schools.</p>	<p>Honley J, I & N school (FL2223021) - Starts Wednesday 9th November 9.10am – 11.40am</p> <p>Shepley First School (FL2223025) - Starts 4th November 9 – 11.30am</p> <p>Online (FL2223024) - Starts Thursday 10th November 6.30pm – 8.30pm</p>
<p>Everyday Maths</p>	<p>To help build confidence in everyday maths and finance. It will target residents who want to build skills in maths and start to understand more about how to budget and understand saving and borrowing. It will teach them basic maths skills including working with fractions and percentages, ratio and proportion within the context of every day situations</p>	<p>Course starting soon, get in touch for more details.</p>
<p>Maths Mates</p>	<p>This course prepares volunteers who would like to support primary aged pupils in the classroom with their enjoyment and progress in maths.</p>	<p>Honley J, I & N school (FL2223022) - Starts Tuesday 8th November 9.10am – 12.10pm</p>
